- are conducting business for the benefit of the community ('community benefit society').

You must answer the questions set out in in the next section of this form, depending on which condition for registration you meet.

If you are not sure which condition for registration applies to the society please see chapters 4 and 5 of our guidance here.

### 7.1 Condition for Registration

- <sup>C</sup> Co-operative society
- Community Benefits society

Community benefit societies must answer the following questions in relation to the financial year covered by this return.

#### 7B.1 What is the business of the society?

For example, did you provide social housing, run an amateur sports club etc.

Provide and maintain social housing

### 7B.2 Please describe the benefits to the community the society delivered?

Here we are looking to see what the benefits to the community were. Community can be said to be the community at large. For example, did you relieve poverty or homelessness through the provision of social housing.

Relieve poverty through the provision of social housing

#### 7B.3 Please describe how the society's business delivered these benefits?

The business of the society must be conducted for the benefit of the community. Please describe how the society's business (as described in answer to question 7B.1) provided benefit to the community.

Provide well maintained social housing which meets all the required standards of housing set out by the Scottish Government, at rents which are affordable to our community.

### 7B.4 Did the society work with a specific community, and if so, please describe it here?

For instance, were the society's activities confined to a specific location; or to a specific group of people? Please note that in serving the needs of any defined community, the society should not inhibit the benefit to the community at large.

All surpluses are reinvested back into the society, either held as reserves for future investment into our housing stock or spent during the year, improving our housing stock.

Please tell us how you ensured that any such conflict of interest did not prevent the society from acting for the benefit of the community.
