

Rent Periods 2021-2022

Please see below the dates when rent is charged to your account, 4 weekly (every 4th Monday).

Rent is charged 13 times during the year.

If you prefer to pay monthly, you would pay on the same date each month but pay an increased amount. This is because as you would only be making 12 payments during the year.

Please contact Gillian Bell at our office if you wish to clarify how much you should pay.
